UNIVERSAL

Plasma/LCD Flat Mount

UF-800 and UF-800F Flat Wall Mount

Compatibility	Universal flat wall mount will work with most Plasma and LCD TV, and Industrial Displays from 37" to 63" in size and 200 lbs in weight, while introducing several key features that take the UF-800 a significant step forward in plasma panel mounting.
VESA	The Unit is VESA 200, 400, 600 and 800 compatible
Ultra Flush from the wall	Only 0.98" from the wall (UF-800F) Only 1.5" from the wall (UF-800)
Patent Pending Design	The new design is also a market FIRST for using the J-BAR vertical adjustable mounting rails. This system allows for a quick and simply re-positioning of the J-BAR's mounting rail position, either 2" " high or low " on the wall plate.
Security Lock System	Uses the Dura-Lock™ Theft-Resistant Security Locking Bar System which provides an added level of security for any flat panel display installation.
Easy to Mount	Horizontal and vertical position adjustments allow for perfect positioning of the Display regardless of the distance of wall studs. <i>Horizontal Level marker for easy installation.</i> All necessary hardware is included for different wall types.
Construction	Heavy Gauge Steel
Wall plate	L: 36.0" x H: 9.0"
Mounting Arms	L: 21" x W: 2.25" (UF-800F) L: 25" x W: 2.25" (UF-800)
